BLUE MAN GROUP continues with their *How To Be A Megastar Tour 2.1*. After ordering a tongue-in-cheek “how-to manual,” BLUE MAN GROUP is joined by an eight-piece band and takes us through step-by-step, song-by-song, head-bobbing, fist-pumping moments of a real concert. The result: a uniquely clever interactive show that delivers hypnotic entertainment for all ages!

Executive Tour Producer Paul J. Emery, III of Emery Entertainment (<http://www.emeryentertainment.com>) stated, “The demand for encore performances is far-reaching. We are thrilled to add some additional show elements including innovative new technology such as state-of-the-art video screens; new vocalists and the tour debut of the hit single ‘Rock and Go!’”

San Francisco-based multimedia artist Mike Relm opens the shows with a mix of spins, scratches, music and video clips in a mash-up of pop culture.

Echoing the positive is co-executive Tour Producer, Irv Zuckerman of Pacific Arts Entertainment, who commented, “It is a huge pleasure to work with the entire BLUE MAN GROUP organization that is professional from start to finish.”

Jennie Willink, Executive Producer of the tour for Blue Man Productions, said, “We are thrilled to continue the momentum we’ve built with Emery Entertainment and Pacific Arts Entertainment for the *Megastar* tour. Seeing BLUE MAN GROUP live is a ‘not to be missed’ experience and we are all proud to continue sharing this fun and captivating production with so many fans all over the country.”
