

12th ANNUAL

Monster Jam Soap Box Derby

Do you have what it takes to tame the Monster Jam Track?

On Sunday, January 31, 2010 Nassau Coliseum and FELD MotorSports will host the 12th Annual MONSTER JAM SOAP BOX DERBY. All scout groups attending the 2:00 pm MONSTER JAM event will have the opportunity to build their own Soap Box style racecar and put it to the test on the Monster Jam track. Teams will be divided into two racing divisions, grades 1-3 and 4-6.

The two fastest teams from each racing division will compete on the track in front of the entire crowd during the MONSTER JAM intermission to determine our champions!

There will be a dirt-less track again this year. Teams will compete on the concrete arena floor. All scouts participating in the Soap Box Derby will receive a Monster Jam patch and have the opportunity to meet some of the Monster Truck Drivers during the informal pre-show setting.

There is no judging on design or presentation, only speed! Read all the enclosed literature and complete and sign the entry form. Return the forms via fax at 516-794-9389, email to groupsales@nassaucoliseum.com, or mail to 1255 Hempstead Turnpike Uniondale, NY 11553 Attention: Amanda Heller by **Friday, January 22, 2010.**

You will be contacted by January 25, 2010 with an arrival time and entry number. Please leave room on your Soap Box Car to prominently display your assigned entry number. This helps to make sure the correct race times are assigned to the right team.

RULES AND REGULATIONS

1. Soap Box Derby registration is open to scouts attending the January 31, 2010 2:00 pm Monster Truck show only.
2. Each participant must wear the required safety equipment.
3. One parent/guardian per contestant must be present on the day of the competition to sign the FELD MotorSports Release.
4. All participants must arrive on time. Late arrivals may not be permitted to compete.
5. Only ONE (1) group leader, one driver and up to three pushers per team are permitted onto the arena floor.
6. Single passenger cars only.
7. No Self-Propulsion Devices of any kind may be used (e.g. engine, motor, pedals).
8. Each pack/troop may enter more than one team. We will also allow more than one team to use the same car. However, if two teams in the same age group that are using the same car both qualify for the finals, one team will be disqualified. No vehicle substitutions may be made. Team disqualification will be made by the judges if the teams cannot decide. Therefore, we strongly suggest that each team has its own car.
9. Each vehicle will complete one timed lap through the entire course. The two fastest times in each age group will qualify to compete during intermission of the show (approximately 3pm) to determine the winner.
10. Judges decisions are final.
11. Failure to comply with any of the above rules & regulations may result in disqualification.
12. We also want to remind everyone that the main purpose of this event is for the scouts to have a great time. We want to make sure that they all leave with an experience they will never forget.
